65th Class Reunion
August 15, 2022

Farmstead Golf & Country Club
Lafayette, NJ

Classmates and Friends - Welcome to our 65th Reunion!

Counting on my fingers that's 13 5-year reunions; plus, many Autumn gatherings at Ed Risdon's campground. I suspect it's unusual for a class to stay this connected. Photos from some of our reunions are on our Reunion website page. Look at the innocent, good looking faces from our 5th year 1962 Reunion.

This is also the 25-year anniversary for our Class of 1957 website, www.NewtonHigh57.org. Although you may not check it regularly it is there when you want to remember.

Unfortunately, at this stage in life most of our new information is the obituaries of classmates. Full obituaries are posted on the 'Obituaries' page with a summary in the Directory listings. It's impressive the lives many of us have lived - for those remaining in Sussex County and for those who have moved across the country.

Ned Ramm, Jon Roe, and Nancy Hawke Snook organized the reunion this year. It made us appreciate all the work Nancy, Myra Snook, and Linda Chamberlain Hendrixson did for past reunions. As we don't see the New Jersey Herald we depended on Myra and Linda to let us know of passings. If you see or hear something please let your webmaster know and we can chase it down and share with classmates.

In this reunion brochure we summarize information that is also on the website in more detail. Please do check our online Directory for bios and memories. And its not too late to add new information or an update to the Directory; or a current photo.

For those who weren't able to attend today this booklet will be posted online in a form you can download or print out. And please be sure we have your email address, the easiest way for us to keep in contact with you.

Please send any updates, corrections or omissions to your webmaster at Jon.Roe@comcast.net.
